PC102 INNOVATION

The new PC102 unit, Presenting Ideas in Innovation is getting students to think outside of the box!

This unit is designed to provide frameworks and practical application to improve the ability to come up with innovative ideas. That's half the battle. The next is structuring the idea to present it to investors.

Will the next Mark Zuckerberg, Jack Ma or Steve Jobs emerge from these humble beginnings?

SOPHIA'S TESTIMONIAL

Sophia Niedda recently attended work experience at Sagar Marine in Fremantle as part of the VET in Schools program.

"It was a good place to have work experience as it was a smaller business and the people working were nice. I found it interesting and it was good to test out a totally different job to what I do at the moment. Overall it was a good experience though."

Workplace learning provides students with an opportunity to experience a real working environment which enhances their understanding of their studies.

IIBT works together with students, their school and industry to place students in an environment where they can develop and improve their skills in preparation for transition from school to work. Workplace learning helps students decide if a particular industry or job is right for them.

MEDICAL CERTIFICATE REMINDER

If you are unable to attend class due to a medical reason, please make sure you provide a copy of your Medical Certificate to student services.

Sophia Niedda, Certificate IV in Business student.

WELCOME VET IN SCHOOL STUDENTS

A big welcome to all our new and continuing VET in School students.

Please do not hesitate to speak to our friendly staff if you have any questions.

We hope you enjoy your time at IIBT and wish you all the best for a successful outcome.

WELCOME

WELCOME BRENDA

A warm welcome to Brenda Woollard, our new Certificate IV in Business Trainer.

Brenda brings to IIBT her wealth of knowledge and experience in vocational education and training with many years of teaching experience.

Welcome to the team!

Brenda Woollard, Certificate IV in Business Trainer

Jenny Xu

FAREWELL JENNY

Wishing our wonderful staff member, Jenny, all the best for the future and motherhood.

Thank you for all your hard work over the years and for being a valued team member.

Happy parenting!

DIPLOMA OF INFORMATION TECHNOLOGY

Congratulations to IIBT on the successful accreditation of the new course, Diploma of Information Technology.

The course will commence September 2018. Phone 6180 2188 for further information.

WORK EXPERIENCE

We have an opportunity for a student to do a Work Experience placement starting as soon as possible.

Experience in administration duties is desirable but not essential.

It is a small company close to public transport in central Fremantle.

Please call Rosa on 6180 2188 or ask for her at IIBT Reception to find out more.

WELCOME DELEGATION

IIBT welcomes the delegation headed by Principal LIANG Yong from Inner Mongolia No.14 Senior Middle School.

We wish your students an excellent study experience at IIBT and we look forward to working together on new cooperation projects in 2018!

HEIRISSON ISLAND - GE & AEIII CLASS EXCURSION

"Despite the almost equatorial heat on the day, our students valiantly explored the west end of Heirisson Island for the elusive kangaroos.

Only two were seen on the day, but there were more out there for sure. The two kangaroos we saw, were calmly staying cool beneath some bushes. They were sensible (unlike us) by not hopping around wasting energy and getting hot.

Moreover, if it weren't for our sharp-eyed students, Charlotte and I would not have seen them. We had walked straight past them!

Other than that, the bird life was good and varied. The local crows certainly knew how to get a free snack from the students.

Worth the visit, yes. The island is easy to walk to, and it's a pleasant and quiet place to contemplate nature in the middle of the city. Take a stroll down there with friends." Emily, Academic English Teacher.
