- A person who provides a course at a location to an overseas student must be registered to provide that course at that location (or do so in accordance with an arrangement with a provider who is so registered).
- This Act, the national code, the ELICOS Standards and the Foundation Program Standards impose obligations on registered providers, including obligations relating to record keeping and financial requirements.
- In particular, there are obligations on registered providers when the provider or an overseas student of the provider defaults, and does not start or finish a course. The provider is required to provide a refund to the student. For a provider default, the provider may instead provide an alternative course for the student at the provider's expense.
- If a provider that has defaulted does not discharge its obligations to an overseas student, the TPS Director must provide the student with options for suitable alternative courses (if any such courses are available).
- In the case of a default, a call is made on the Overseas Students Tuition Fund to pay for alternative courses, or to provide refunds to students, if providers have not already done so.

Division 1—Guide to this Part

8A Guide to this Part

- A person who provides a course at a location to an overseas student must be registered to provide that course at that location (or do so in accordance with an arrangement with a provider who is so registered).
- Division 2 creates an offence for a person who contravenes that requirement. It is also an offence for a registered provider to offer courses, or hold itself out as able to provide a course, to overseas students without being appropriately registered (or doing so in accordance with an appropriate arrangement).
- Division 3 provides for the registration of providers by the ESOS agency for a provider. A provider may be registered (for a period of up to 7 years) to provide one or more courses at one or more locations to overseas students if the provider meets the registration requirements. Conditions may be imposed on the registration of a provider and those conditions may be varied or revoked.
- Division 3 also provides for the renewal of registrations, the addition of one or more courses at one or more locations to a registered provider's registration and the extension or continuation of registration periods in certain circumstances.
- Division 4 requires the Secretary to cause a Register to be kept that contains specified information about the registration of all registered providers. The Secretary is also required to ensure that the Register is kept up-to-date.

- (h) standards required of the content of such agreements;
- (i) any other matters that are necessary or convenient to give effect to the purpose of the national code.

40 Legal effects of the national code

The only legal effects of the national code are the effects that this Act expressly provides for.

Note: This Act provides that compliance with the national code is a prerequisite for registration (see section 11) and that sanctions under Division 1 of Part 6 may be imposed on a registered provider who breaches the national code.

41 Notification of the national code

- (1) The Secretary must give each registered provider written notice of:
 - (a) the making or amendment of the national code; and
 - (b) the day on which the code or amendment takes effect for the provider; and
 - (c) the way in which the provider can get access to the text of the code in force on that day.
- (2) A notice given under subsection (1) is not a legislative instrument.
- (3) However, a breach of this section does not affect the validity of the national code or an amendment of the code.

44 Regulations may prescribe penalties

- (1) The regulations may make it an offence to breach prescribed provisions of the national code.
- (2) The offence must be punishable by a fine of no more than 10 penalty units.

Part 5—Tuition protection service

Division 1—Guide to this Part

45 Guide to this Part

- This Part sets out what happens when a registered provider or an overseas student or intending overseas student defaults (that is, when a provider fails to start or finish providing a course to a student, or a student fails to start or finish a course with a provider).
- Division 2 sets out the obligation on registered providers to provide refunds to students. In the case of a provider default, a registered provider may instead provide alternative courses for the students at the provider's expense.
- If a provider defaults and fails to discharge its obligations to a student under Division 2, then, under Division 3, the TPS Director must provide the student with options for suitable alternative courses (if any such courses are available).
- Under Division 4, payments can be made out of the Overseas Students Tuition Fund to refund students, and to reimburse providers who provide students with alternative courses, when a provider has failed to discharge its obligations. (This is called making a call on the OSTF.)

Division 2—Obligations on registered providers when a provider or student defaults

Subdivision A—Provider defaults

46A When a registered provider defaults

- (1) A registered provider *defaults*, in relation to an overseas student or intending overseas student and a course at a location, if:

Ceasing to provide courses

- (3) A registered provider does not default, in relation to an overseas student or intending overseas student and a course at a location, if the provider fails to start to provide the course, or the course ceases to be provided, to the student because the student defaults in relation to the course under paragraph 47A(1)(c).
- (4) If a registered provider for a course for a location has changed to become an entity of a different kind, the ESOS agency for the provider may notify the provider in writing that the course is not taken, for the purposes of subparagraph (1)(a)(ii) of this section, to have ceased to be provided at the location merely because of the change. The notice has effect accordingly.

Section 46B

- (5) In deciding whether to give the notice, the ESOS agency for the registered provider must have regard to:

50B What the TPS Director must do when a call is made

TPS Director must pay amount

- (1) If a call is made on the OSTF, then, as soon as practicable, the TPS Director must pay out of the OSTF an amount equal to the amount that the provider must still pay in order to satisfy the refund requirements under Division 2.

Note: The TPS Director pays the amount to the person specified in subsection (3).

(c) otherwise—the student.

(4) If:

(a) the TPS Director is required under subsection (3) to pay a registered provider for providing an alternative course; and

(b) the amount required to be paid is more than the cost of the course;

the TPS Director must pay the difference to the person specified in paragraph (3)(b) or (c) (as the case requires).

(b) the TPS Director pays an amount in accordance with section 50B in relation to the student;

the student, and any person specified in paragraph 50B(3)(b), cease to have any claim against the provider in respect of the student's fees to which the refund requirements under Division 2 relate.

Section 50D

Provider must pay back TPS Director

- (2) Instead, the provider must pay the TPS Director an amount equal to the amount that the TPS Director paid under section 50B.
- (2A) If the provider is required to maintain an account in accordance with section 28, the payment of that amount must be made out of the account to the extent that there is a sufficient amount standing to the credit of the account.
- (2B) To avoid doubt, subsection (2A) is subject to subsections 29(4) and (5).
- (3) The TPS Director may recover that amount from the provider as a debt due to the Commonwealth by action in a court of competent jurisdiction.

TPS Director may enforce security

- (4) If the provider had granted the TPS Director a charge or other security over any of its assets, the TPS Director may enforce the charge or security in satisfaction, or partial satisfaction, of the debt.

50D TPS Director to notify Immigration Secretary

- (1) The TPS Director must notify the Immigration Secretary, in accordance with a legislative instrument made under subsection (3), as soon as practicable if the TPS Director provides a refund to a person specified in paragraph 50B(3)(b) or (c).

Note 1: This section constitutes authorisation for the purposes of other laws, such as paragraph 6.2(b) of Australian Privacy Principle 6.

Note 2: The Immigration Secretary's power under this section can be delegated under section 170.

- (2) The notice must include the name of the overseas student or intending overseas student in relation to whom the refund was provided.
- (3) The Minister may, by legislative instrument, specify requirements for a notice given under this section.

Section 50E

50E Right to refund may be cancelled etc. without compensation

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe how an amendment is to be made. If, despite the misdescription, the amendment

Endnote 1—About the endnotes

can be given effect as intended, then the misdescribed amendment can be incorporated through an editorial change made under section 15V of the *Legislation Act 2003*.

If a misdescribed amendment cannot be given effect as intended, the amendment is not incorporated and “(md not incorp)” is added to the amendment history.
